IF THERE IS NEED...

Chapter Relief Committee: Any member in need may approach their Chapter's Relief Committee or Worthy Matron and ask for financial assistance. All requests for assistance are considered confidential and may be granted by the Worthy Matron, upon recommendation of the Relief Committee, up to the dollar amount designed in the Chapter's Bylaws, without vote of the Chapter. A request for financial assistance beyond the designated amount could, upon recommendation of the Relief Committee, be granted by chapter vote, also in confidence.

Benevolent Fraternal Assistance: If a member's financial need is greater than that which can be met by their chapter, and only with the assistance of the chapter's Relief Committee, application can be made to the Benevolent Fraternal Assistance Fund Board. If funds are granted, the money is considered a supplement to the Chapter's Relief Fund, and the chapter secretary/treasurer will make the purchase, or pay the bill. No money from this fund goes directly to the member. As with any Relief Committee transaction, these applications should be completely confidential.

Oregon MasonicAid: Designed to help members improve the quality of life and maintain their independence at home or in a retirement community, offering assistance with transportation, housing, in-home care, medical bills, and retirement community placement.

MESHCAre: Provides financial assistance to eligible members who live in approved retirement

communities throughout Oregon, including but not limited to the Jennings-McCall Center.
