

Make a Wish Upon a Star

The General Fund Committee is offering “Wishes Upon a Star” Love Notes that can be purchased from the Chairman Deanne Miller, Co-Chair Sue McMillan or order from your local District General Fund Committee Member. Notes will be delivered to Chapters and given out under the Good of the Order. Support your friends for special days or good deeds or just send one for fun. The cost is \$2 per star if delivered to a Chapter or \$1 if purchased for a Grand Reception and delivered there. Chapters can post them on their bulletin boards or just enjoy making someone happy and sending them home with their members. We can’t deliver them overnight, but will make sure they make it to their destination. Just fill out the attached form or e-mail the information, pay your Chapter Secretary the money and the General Fund Committee will do the rest.
